

# Steps to create your GCP Free Account

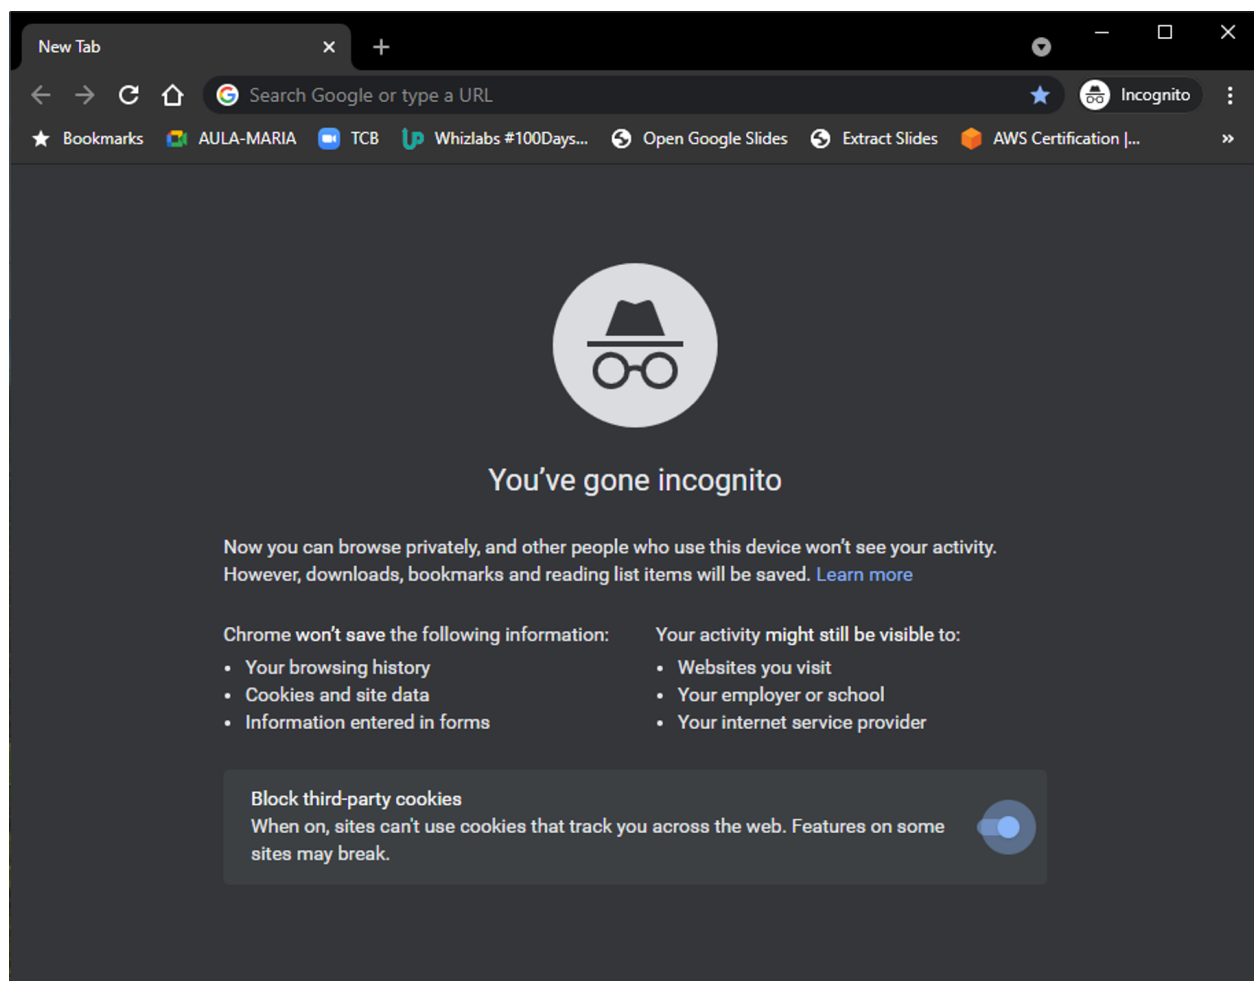

## Step 1

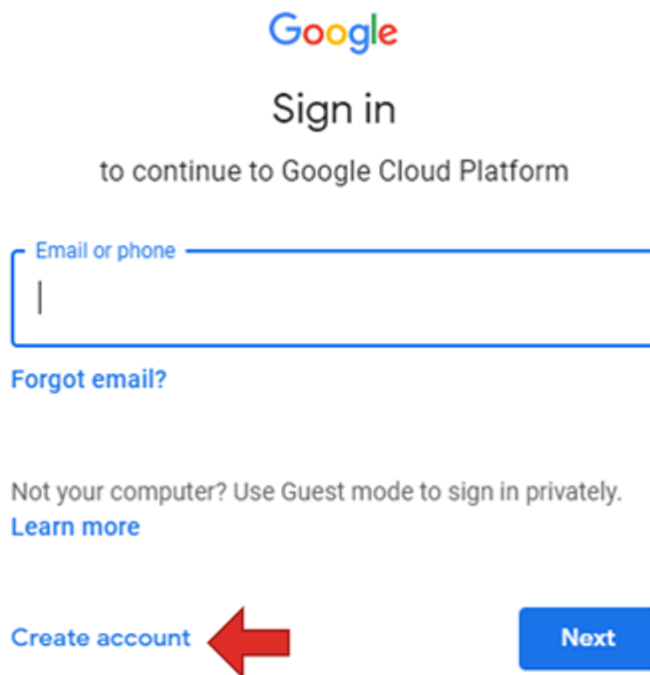

Open your browser in an **Anonymous | Private | Cognito** way and go to:

<https://console.cloud.google.com/freetrial>

**Advice:** We strongly recommend creating a new Gmail account, instead of using your personal!

Click on **Create account**.

The image shows the Google sign-in page for Google Cloud Platform. At the top is the Google logo, followed by the text "Sign in" and "to continue to Google Cloud Platform". Below this is a text input field with the placeholder "Email or phone" and a vertical cursor. To the left of the input field is the link "Forgot email?". Below the input field is the text "Not your computer? Use Guest mode to sign in privately." followed by the link "Learn more". At the bottom are two buttons: "Create account" on the left and "Next" on the right. A large red arrow points from the "Next" button to the "Create account" button.

## Step 2

Click on **For myself** and fill up the informations.

The image shows the Google sign-in page for Google Cloud Platform. At the top is the Google logo, followed by the text "Sign in to continue to Google Cloud Platform". Below this is a text input field labeled "Email or phone". Under the input field is a link "Forgot email?". Further down is the text "Not your computer? Use Guest mode to sign in privately." with a link "Learn more". At the bottom left is a button labeled "Create account", which has a dropdown menu open. The dropdown menu contains two options: "For myself" and "To manage my business". A red arrow points to the "For myself" option. To the right of the "Create account" button is a blue button labeled "Next". At the very bottom, there is a language selector showing "English" and links for "Help", "Privacy", and "Terms".
